

# MARK LAWRENCE

AGRONOMIST

## PROFILE

Mark Lawrence has worked as an agronomist since 2002 and began with Farmanco in 2015, based in Kojonup.

Previously, Mark worked for Elders in Jerramungup and Albany before moving to the family farm in the Central Wheatbelt. From 2013, Mark was based in Cunderdin as a corporate agronomist.

A Farmanco Principal, Mark has a passion for sustainable and profitable agriculture.
